

# Ladies for Compassionate Lynching

## Chumbawamba

I accept, I accept, I accept  
I'll be gonna  
I accept, I accept, I accept, I, I accept We're the ladies for compassionate lynching  
We fight for all the things we believe  
We spend all of our time on your talk shows  
We put the stickers on your record sleeves I accept, I, I accept  
I accept, I accept
