Are You Home

Broods

Baby you know that I like to be right
But I'm hoping this time maybe I'm wrong
Baby you know I'm loving you skin tight
But I'm thinking this time you want me to runWhen she calls
Tell me true
Is it more
Than I knewSo are you home tonight?
Are you alone tonight?
I've been drinking and I'm thinking
But I don't wanna fight
Are you home tonight?
Are you alone tonight?
You've been drinking and I'm thinking
Are we sinking?
Yeah I just wanna fight
I just wanna fightDarling I know it wasn't the first time
I went outta my mind hoping for more
Darling you know that this is the last time
You don't get to come round begging for more
