

# Pose

## Rihanna

Uh  
Oh yeah, yeah, yeah  
Oh yeah Stay dope, hoe rich  
Gettin' dough, so rich  
I smoke, yeah  
And I ain't never liked a broke bitch  
I ain't never fucked with your hoe, bitch  
Quiet down Oh-oh-oh shit  
So-oh-oh rich  
Fired up, loaded  
Ah, pose, bitch Take it down  
Wanna see you, work it, oh my god, pose bitch  
And the thing is that I know you know  
Pose, bitch, and you bouncing like I know you know  
Bitch, I know you know  
Bitch, I know you know  
Stay love  
All my haters so-so broke, pipe down  
All these niggas also broke  
Pose, bitch Oh-oh-oh shit  
So loaded  
Fired up, I'm sorted  
Ah, pose, bitch Yas bitch  
Let me see you get it, na, na, na  
Flaccid, I don't let you with it  
Pose bitch, brr take a photo  
Flick, flick, flick or fuckin' shout out  
All you lame ass bitches is a no go  
Nitty-witty call fucking loco, loco Oh-oh-oh shit  
So loaded  
Fired up, I'm sorted  
Ah, pose, bitch
