

Anyway That You Want Me

Spiritualized

If it's love that you want
Baby, you got it
From the depth of my soul
Baby, you got it I've been watching you
Am I loving you in vain?
Girl, there's no need to explain Anyway that you want me
Anyway that you'll take me
Anyway that you'll make me feel a part of you
Anyway at all If there's dreams in your heart
They'll last forever
From the depth of my soul
I'll make them come true I've been watching you
Am I loving you in vain?
Girl, there's no need to explain Anyway that you want me
Anyway that you'll take me
Anyway that you'll make me feel a part of you
Anyway at all Anyway that you want me
Anyway that you'll take me
Anyway that you'll make me feel a part of you
Anyway at all Anyway that you want me
Anyway that you'll take me
Anyway that you'll make me feel a part of you
Anyway at all Anyway at all
Anyway at all
Anyway at all
Anyway at all
