Paradise Lost

Innocent, beneath this sorry veil see 'you have'
Plenitude, the sweetness of a new born child
Its lost deserted reverenceFor my life and the stars creation
For my life it's the same rejection
Lost in life, I'll blame it all on youLoss of hope, falling situation
Re-adapt, death is life's temptation
Dying slow, I'll blame it all on youResurrect, the harsh tones of our self contempt recall
Fail to breathe, in sight no normal state of mind
In time the hour will fail to chimc
