

Bad Dreams

Dream Evil

I dreamt I woke up in the middle of the night
My heart was pounding like a drum
The world was coloured, but I was in black and white
It was the weirdest of all dreams That I have had
A dream so bad
I must be going mad Bad dreams
Bad dreams
Bad, bad dreams And then I woke up - At least that's what I thought
Things would be normal again
Opened my eyes and saw right through me in the mirror
I must be going insane That I have had
A dream so bad
I must be going mad Bad dreams
Bad dreams
Bad, bad dreams Bad dreams
Bad dreams
Bad, bad dreams
Bad, bad dreams
Bad dreams
Bad, bad dreams
Bad, bad dreams
