Girl Next Door (Ballad Version)

Take 5

1, 2, 1, 2, 3, 4
Sorry, sorry
Gimme, gimme
Yeah, yeah, yeah
Yeah, yeah, yeahFor so long, I've been keepin' this in
I can't go on just a livin' this lie
'Cause wrong is wrong, I'm sick and tired of being wrong
And right is right, I just wanna live right, yeahAll my friends say, "Don't tell your girl the truth", but I had to
My papa used to preach, "The truth shall set you free"
And I'm free at last now
'Cause there's something I gotta tell youThere's something that you should know
I've been creepin' with the girl next door
I'm sorry, forgive me, I apologizeThere's something that you should know
I've been creepin' with the girl next door
I'm sorry, forgive me, I apologize
For creepin' next door, yeah, yeah, yeahLiar, liar that's what I was
I broke the golden rule, betrayed your trust
Now that you know all that I've done
Am I still your number one?'Cause, my friends say, my friends say
"Don't tell your girl the truth", but I had to
My papa used to preach, "The truth shall set you free"
And I'm free at last now
All I wanna do is be with my girl, my girl, oh, ohThere's something that you should know
I've been creepin' with the girl next door
I'm sorry, forgive me for all that I've done
I'm sorry, I'm sorry, I'm sorry, I'm sorryThere's something that you should know
I've been creepin' with the girl next door
I'm sorry, forgive me, I apologize
For creepin' next door4, 3, 2, 1I'm sorry, I was creepin' girl
Creepin' with the girl next door
I'm sorry, I was creepin' girl
Creepin' with the girl next door
I'm sorry, I was creepin' girl
Creepin' with the girl next doorI promised to never let anyone or anything
Come between me and you
I vowed that I would never keep a secret from you
Girl, I'll tell the truth, yeah, yeah, yeahThere's something that you should know
I've been creepin' with the girl next door
I'm sorry, forgive me for all that I've done

I'm sorry, I'm sorry, I'm sorry, I'm sorryThere's something that you should know
I've been creepin' with the girl next door
I'm sorry, forgive me, I apologize
For creepin' next door
For creepin' next door
For creepin' next door
For creepin' next door
