Dummy Up

Screeching Weasel

they want the truth but they keep on drawing blanks they torture you you're not giving up the facts they can't make you tell the truth they can't tell you what to do keep it mum when ask if you're a spy hold your tongue when they say you're fbi they can't make you tell the truth they can't tell your what to do keep it zipped when they ask for microfilm plead the fifth you'll be out of there real soon they can't make you tell the truth they can't tell you what to do dummy up
