Falling

Philip Selway

When all is said and done
When all is said and done
It's just a trick of light
That you sawWhen all is said and done
When all is said and done
It's only make-believe
Nothing moreFalling, falling
Down, down, down, down
Falling, falling
What is that all aboutVisions come in the dark
Visions come in the dark
It isn't sick inside
Nothing's wrongVisions come in the dark
Visions come in the dark
Just look the other way
Now it's goneFalling, falling
Down, down, down, down
Falling, falling
What is that all about
