Only Begun

Artemis

when i thought it was over
only begun
love i thought i could handle
grows so strong
when i thought it was over
only begun

you drifted to me
like a wisp of a cloud
soft lips parting
uttered not a sound
i felt so warm
cradled in your arms
but now i see
you were only
floating freely

when i thought it was over
only begun
love i thought i could handle
grows so strong
when i thought it was over
only begun

my heart was hidden
in an ebony stone
you cracked it open
kisses like rays of sun
i thought iâ€™d go crazy
when you were gone
but now i see
you surround me
laughing in dreams

i close my eyes
the night glitters
and you beckon to me
i tiptoe softly
so not to waken
from angelic slumber

i read your letter
the ground trembles
and the stars bend down to whisper
