

# I See You Standing There

Jay Reatard

I see you in the park  
I see you doing well  
Playing with your children  
Everything is swell

Standing there  
Standing there  
Standing there  
Standing there

I see you in the car  
Trudding into school  
Everything is great  
Everything is cool

Standing there  
Standing there  
Standing there  
Standing there

I'm hiding  
in the shadows  
And I see you standing there  
I'm hiding  
in the darkness  
And I see you standing there  
When i see you standing there  
And I see you standing there

I see you in the park  
I see you doing well  
Playing with your children  
Everything is swell

Standing there  
Standing there  
Standing there  
Standing there

I see you in the car

Trudding into school  
Everything is great  
Everything is cool

I'm hiding  
in the shadows  
And I see you standing there  
I'm hiding  
in the darkness  
And I see you standing there  
When i see you standing there  
And I see you standing there  
Standing there  
Standing there  
I'm standing there  
Standing there  
Go!

Don't look!
