

Cartoon

Skye Sweetnam

I like to live like I'm in a cartoon
Yes I'm chasing you all around the room
I beat ya, beat ya brains out, that's how I flirt
Oh it's a vicious little game but no one gets hurt
And it's a hey, hey! Let's keep it together
Can we, hey, hey, work it out? This love's a cartoon baby in technicolor
Screw your head back on cause here comes your mother
With her curlers made of dynamite she's throwing them at us tonight
Yes it's a pretty, pretty kitty but the kitty still bites
Yes it's a pretty, pretty kitty but the kitty still bites I like to live like I'm in a cartoon
Got a bowling ball on a tablespoon
A striker, striking you out, drop it on your head!
Kill you a hundred different ways but you're still not dead
And it's a hey, hey! Let's keep it together
Can we, hey, hey, work it out?
This love's a cartoon baby in technicolor
Screw your head back on cuz here comes your mother
With her curlers made of dynamite she's throwing them at us tonight
This love's a cartoon baby and you're the hero
Pop your greens down lover and whack the weirdo
He's trying to fly me to the moon, but I'm staying here with you
Yes it's a pretty, pretty kitty but the kitty still bites
Yes it's a pretty, pretty kitty but the kitty still bites
Yes it's a pretty, pretty kitty but the kitty still bites Bound to the sound get down, get down, down
Itty bitty, nitty gritty, polka dotted pretty kitty
Bound to the sound get down, get down, down
Itty bitty, nitty gritty, polka dotted pretty kitty I like to live like I'm in a cartoon
Yes I'll suck you up into my vacuum
A bumble, bumble bee honey and I need a mate
Oh it's illegal where we live, but we're outta state! This love's a cartoon baby in technicolor
Screw your head back on cuz here comes your mother
With her curlers made of dynamite she's throwing them at us tonight
This love's a cartoon baby and you're the hero
Pop your greens down lover and whack the weirdo
He's trying to fly me to the moon, but I'm staying here with you
Yes it's a pretty, pretty kitty but the kitty still bites
Yes it's a pretty, pretty kitty but the kitty still bites
Yes it's a pretty, pretty kitty but the kitty still bites I've got a microphone
