

I've Still Got Some Hurtin' Left to Do

[George Jones](#)

Tonight I went out with some old friends
We laughed and joked and oh we downed a few
I was feeling strong, till someone played our song
I've still got some hurtin' left to do There's a waitress that I like down at the diner
I've even asked her out a time or two
But she says, Not until your broken heart has healed
She knows I've still got some hurtin' left to do Every time I have a few good happy hours
I start thinkin' I might be over you
There's a knock on my heart's door, it's your memory back for more
Yes, I've still got some hurtin' left to do
Yes, I've still got some hurtin' left to do
