

Don't You Forget About Me

Enrique Iglesias

They say love is just a game
They say time can heal the pain
Sometimes you win, sometimes you lose
And I guess Im just a fool, I keep holding on to you I told you once you were the one
You know that Id die for you
Although it hurts to see you go
Oh, this time you should know, I won't try to stop you Dont you forget about me, baby
Dont you forget about me now
Some day you'll turn around and ask me
Why did I let you go? So you try to fake a smile
You dont wanna break my heart
I can see that you're afraid
But baby its to late, coz Im already dying Dont you forget about me, baby
Dont you forget about me now
Some day you'll turn around and ask me
Why did I let you go? Dont you forget about me, baby
Dont you forget about me now
Some day you'll turn around and ask me
Why did I let you go?
Why did I let you go? Dont you forget about me, baby
No, dont you forget about me now
Some day you'll turn around and ask me
Why did I let you go?
Why did I let you go? Wherever I go, I wont forget about you, no, no, no
Wherever you go, dont you forget about me
