

Through the Fire and Flames

Vitamin String Quartet

On a cold winter morning
In the time before the light
In flames of death's eternal reign
We ride towards the fight When the darkness has fallen down
And the times are tough alright
The sound of evil laughter falls
Around the world tonight Fighting hard, fighting on for the steel
Through the wastelands evermore
The scattered souls will feel the hell
Bodies wasted on the shore On the blackest plains in Hell's domain
We watch them as they go
Through the fire and pain and once again we know! Tonight we're flying and we're free
We're free before the thunderstorm
On towards the wilderness
Our quest carries on Far beyond the sundown
Far beyond the moonlight
Deep inside our hearts and all our souls! So far away we wait for the day
For the light source all wasted and gone
We feel the pain of a lifetime lost in a thousand days
Through the fire and the flames we carry on! As the red day is dawning
And the lightning cracks the sky
They'll raise their hands to the heavens above
With resentment in their eyes Riding back through the midmorning light
and there's a burning in my heart
avenge from the town in the fallen rain
To a life beyond the stars In your blackest dreams we do believe
Our destiny this time
And endlessly we'll all be free tonight! And on the wings of a dream
So far beyond reality
On the road to desperation
Now the time is gone Lost inside you'll never find
Lost within my own mind
Day after day this misery must go on! So far away we wait for the day
For the light source all wasted and gone
We feel the pain of a lifetime lost in a thousand days
Through the fire and the flames we carry on! Who-o-oa, who-o-oa, who-o-o-o-oa!
Who-o-oa, who-o-oa, who-o-o-o-oa! [guitar solo] Now here we stand with their blood on our hands
We fought so hard, now can we understand
I'll break the seal of this curse if I possibly can

For freedom of every man! So far away we wait for the day
For the light source all wasted and gone
We feel the pain of a lifetime lost in a thousand days
Through the fire and the flames we carry on!
