Again

Natasha Bedingfield

Hands over my head
Thinking what else could go wrong
Would have stayed in bed
How can the day be so long?
Never believed that things happen for a reason
But how this turned out removed all my doubts, so believe
That for you I'd do it all over again
Do it all over again
All I went through lead me to you
So I'd do it all over again for you
I missed the first train
Stood out in the rain all day, little did I know
When I caught the next train there you were to sweep me away
Guess that's what I waited for
Never believed that things happen for a reason
But how this turned out removed all my doubt, so believe
That for you I'd do it all over again
Do it all over again
All I went through lead me to you
So I'd do it all over again
Whoever thought a day gone so wrong would turn out so lovely
I'm so glad I found you
Even though the day went so wrong I wouldn't change a thing
I'd do it, I'd do it all over again
Do it all over again
All I went through lead me to you
So I'd do it all over again
I'd do it all over again
Do it all over again
All I went through lead me to you
So I'd do it all over again for you
Whoever thought a day gone so wrong would turn out so lovely
Whoever thought a day gone so wrong would turn out so lovely
