

# Young Blood

## Bruce Willis

I saw her standing? on the corner  
A yellow ribbon in her hair  
All my boys could not help crying?  
Looky there, looky there  
That's tough, she's digging? me

[Chorus]  
Young blood, yes, it is  
Young blood  
Young blood  
Can't get you outta my mind

Just one look and I was captured  
I tried to walk but I was lame  
Just could not help myself from shouting?  
What's your name, what's your name  
Now looky here, girl, come here, baby

Young blood  
Young blood  
Young blood  
Can't get you outta my mind

What crazy stuff, she looked so tough  
I had to follow her all the way home  
Then things went bad, I met her dad  
What's he say, boys? ?you'd better leave my daughter alone?  
I couldn't sleep a wink for trying?  
I saw the rising? of the sun  
All night long my heart was crying?  
She's the one, she's the one  
I saw her first, she wants me

[Chorus]

What crazy stuff, she looked so tough  
I had to follow her all the way home  
Then things went bad, I met her dad  
Look, get your hands off my daughter  
Before I play a little Hank Aaron melody on your head

Ya understand  
I couldn't sleep a wink for trying  
I saw the rising of the sun  
All night long my heart was crying  
She's the one, she's the one  
Let's take a walk, sugar, just get your car

[Chorus]
