Physical World

Bart Davenport

One, two, three, four!
We would lie on a physical world for love
See cry when invisible things still hurt.
Its a bitter pill to swallow
Let me take a fact tomorrow.
We would lie on a physical world for love
I give in to the gravity of this time
While l long for the wet less nights of Spain
Lonely nights is like a news
Keep it light and keep it loose.I give in to the gravity of this time
Isnt you that you thinking off?
Isnt you, really you, really you?
Isnt you that you thinking off?
We would lie on a physical world for love
Oh, take it away!
Ill return to the spiritual womb at times
You would, too if you had it as good as mine
Every woman, every man, learn like the wind if you can
Ill return to the spiritual womb
Isnt you that you thinking of?
Isnt you, really you, really you?
Isnt you that you thinking of? Uh, uh, uh
We would lie on a physical world for love, love, love
