Lost In Despair

Kurt Nilsen

Threw a stone
You're surrounded by glass
You need to get out of this place
'Cause it's holding you backSo, baby run
Run like the wind
Looking what you're leaving behind
It's nothing more than a hole in the groundIt's too late
There's nothing to hold on to
It's so sad
'Cause everything's shut down
It's so hard
'Cause everything you know is here
You find yourself lost in despairSo take a dive
You're surrounded by water
You need to find peace of mind
It won't kill you if you give it a trySo, baby run
Run like the wind
Looking what you're leaving behind
It's nothing more than a hole in the groundIt's too late
There's nothing to hold on to
It's so sad
'Cause everything's shut down
It's so hard
'Cause everythig you know is here
You find yourself lost in despairIt's too late
There's nothing to hold on to
It's so sad
'Cause everything's shut down
It's so hard
'Cause everything you know is here
You find yourself lost in despairYou find yourself lost in despair
You find yourself lost
