

My Daily Motive

Nicotine

So I can work hard everyday
Yeah this is reason why this is reason why
So many time I went to the bank
To check my deposit in my bank accountBut every pay day no money
So I can't pay this time again
Somebody come and help me out
One of the guy from Hawaii
He lives in Tokyo
He took my wallet no denialI've got no money I've got no money
I've got no money, money moneyNo more oh my god it's misery
No more my whole life with no money
