

# Ol' Saint Nicholas

[Doris Day](#)

You're the one  
We jump for joy whenever  
Oh so jolly  
Ol' Saint Nicholas passes by  
Spreadin' spirit with a twinklin' eyeOl' Saint Nicholas  
Over head  
You hang a twig of merry misteltoe and  
Ol' Saint Nicholas gay are we  
Catching kisses by the yuletide treeHow does it feel to be such a mr. big?  
King of the party each year  
How does it feel to be so full of  
Captivating Christmas cheer?So, Ol' Saint Nicholas  
Here's to you  
A toast for bringin' goodies to the young and  
Ol' Saint Nicholas hip-hooray  
Have a merry Christmas day!There's a merry little man we know  
And to everybody's home he'll go  
When the weather's at a cold degree  
Can't you guess who it can be?Ol' Saint Nicholas  
You're the one  
We jump for joy whenever  
Oh so jolly  
Ol' Saint Nicholas passes by  
Spreadin' spirit with a twinklin' eyeOl' Saint Nicholas  
Over head  
You hang a twig of merry misteltoe and  
Ol' Saint Nicholas gay are we  
Catching kisses by the yuletide treeWouldn't you know that you'd be responsible  
For all the holiday noise?  
Wouldn't you know that we'd be just like  
Other little girls and boys?So, Ol' Saint Nicholas  
Here's to you  
A toast for bringin' goodies to the young and  
Ol' Saint Nicholas hip-hooray  
Have a merry Christmas day!
