Sweet Spot

Wild Beasts

Baby when you're down
I'll be around, I'll be around
Baby when you're lost
I'll be your found, I'll be your found
When the night is long
I'll be the crack of dawn
Baby when you take a shot
I'll be your sweet spot
I'll be your sweet spot
Baby when you need to float
I'll be your lifeboat, I'll be your lifeboat
When you want to play along
I'll be your Mah Jong, I'll be your Mah Jong
When you've done your best
I'll be your day of rest
Baby when you take a shot
I'll be you sweet spot
I'll be you sweet spot
I'll be you sweet spot

I'll be you sweet spot
I'll be you sweet spot
Baby when you're falling off your feet
Out on a road that's rough and steep
And you're looking for a state of grace
I'll be your leap of faith
Baby when you're growing old
I'll be your solid gold, I'll be your solid gold
When your ship don't come in
I'll be your thick and thin, I'll be your thick and thin
When your love is blind
I'll be your walk the line
When you've given all you've got
I'll be your sweet spot
I'll be your sweet spot
I'll be your sweet spot
I'll be your sweet spot
I'll be your sweet spot
