If You Feel

Jefferson Airplane

If you feel like china breaking,
If you feel like laughing;
Break china laughing.
Break china laughing, laughing, laughing.
If you feel like leaves are falling
If you feel like smiling;
Fall leaves are smiling.
Fall leaves are smiling, smiling, smiling, yeah.
If you feel like love making,
If you feel like flying;
Make love flying, baby.
Make love flying, flying, flying, yeah.

Got down...
Not the first time, you know...
Got down, got up to go.
Got up to go.
If you feel like china breaking,
If you feel like laughing;
Break china laughing.
Break china laughing, laughing,
laughing, laughing, laughing,
laughing, laughing, laughing,
laughing, laughing.
