Didn't Ya

City High

Who is she
That be pagin' you and callin' all night?
Just tell me please
Ain't no need for you to try and lie now
Where did you go?
When you said that you where gonna be here
Boy, don't ya know?
Today I followed you over her crib
Ya must've been crazy, crazy and dumb
Ya thought I didn't see ya now didn't ya
Tried to sneak by me now didn't ya, didn't ya
Ya gonna be sorry 'cause I ain't the one
Ya tried to sneak by me now, didn't ya didn't ya
Ya thought I didn't see ya now didn't ya
Now I, won't cry
'Cause honestly I knew it all the time but
Deep inside the love I had for you was keeping me blind
But I've made up my mind
I'm tired of giving yaw
Scrub-ass niggas my heart
Now boy, you and that broad
'Bout to meet with the Lord
'Cause now it's too late
(What are you gonna do)
I lost my control
(Puttin' my trust in you)
Keep this on ya mind
(Every last dog gets caught some time, bye-bye)
Ya must've been crazy, crazy and dumb
Ya thought I didn't see ya now didn't ya
Tried to sneak by me now, didn't ya, didn't ya
Ya gonna be sorry 'cause I ain't the one
Ya tried to sneak by me now, didn't ya didn't ya
Ya thought I didn't see ya now didn't ya
Ya must've been crazy, crazy and dumb
Ya thought I didn't see ya now didn't ya
Tried to sneak by me now, didn't ya, didn't ya
Ya gonna be sorry 'cause I ain't the one
Ya tried to sneak by me now, didn't ya, didn't ya

Ya thought I didn't see ya now didn't ya
Sorry, I didn't mean to do what I done
I'm only wrong for lovin' you too much
Now I'm sittin' in these damn 'cuffs, locked up
(Damn)
Ya must've been crazy, crazy and dumb
Ya thought I didn't see ya now didn't ya
Tried to sneak by me now, didn't ya, didn't ya
Ya gonna be sorry 'cause I ain't the one
Ya tried to sneak by me now, didn't ya, didn't ya
Ya thought I didn't see ya now didn't ya
Ya must've been crazy, crazy and dumb
Ya thought I didn't see ya now didn't ya
Tried to sneak by me now, didn't ya, didn't ya
Ya gonna be sorry 'cause I ain't the one
Ya tried to sneak by me now, didn't ya, didn't ya
Ya thought I didn't see ya now didn't ya
