

Satisfied

Ronnie Freeman

You satisfy my soul
And I stand amazed at the blessings I've known
And still to this day, the mercies you show
Make it clear to see that you love me And you give each breath I breath
You color the skies with beautiful leaves
You've proven that you will provide for my needs
The way you fill me Lord, how could I ask for more And I'm satisfied, satisfied
I've been cared for so faithfully
But Lord hear my plea
May it be that you're satisfied with me And you give me grace without end
And you have forever removed all my sin
And now the makers of heaven and earth call me friend
And from the joy that brings, oh how my spirit sings I'm satisfied, I'm satisfied
I've been cared for so faithfully, yeah
But Lord hear my plea
May it be that you're satisfied with me, yeah
YeahGood Lord, hear my plea
May it be that you're satisfied
Are you satisfied? Please say
You're satisfied with me
