

# Diamond Eyes (boom-lay Boom-lay Boom)

## Shinedown

I am the shadow, and the smoke in your eyes  
I am the ghost, that hides in the night  
Boom-lay boom-lay, boom!  
Wait, wait a minute take a step back,  
Gotta think twice before you react.  
So stay, stay a little while cause a promise  
Not kept is the road to exile  
Hey, what's the circumstance  
You'll never be great without taking a chance  
So, wait you waited too long  
Had your hands in your pocket  
When you should've been gone.  
Boom-lay boom-lay boom  
One push is all you need  
Boom-lay boom-lay boom  
Fist first philosophy.  
Boom-lay boom-lay boom  
We watch with wounded eyes.  
Boom-lay boom-lay boom  
So I hope you recognize.  
I'm on the front line, don't worry I'll be fine  
The story is just beginning  
I say goodbye to my weakness, so long to the regrets  
And now I see the world through diamond eyes  
Damn, damn it all down  
Took one to the chest without even a sound  
so, what, what do you worth  
The things you love or the people you hurt  
Hey, it's like deja vu, a suicidal maniac with nothing to lose  
So wait, it's the exception to the rule  
Everyone of us is expendable  
Boom-lay boom-lay boom  
One push is all you need  
Boom-lay boom-lay boom  
Fist first philosophy.  
Boom-lay boom-lay boom  
  
We watch with wounded eyes.  
Boom-lay boom-lay boom

So I hope you recognize.  
I'm on the front line, don't worry I'll be fine  
The story is just beginning  
I say goodbye to my weakness,  
So long to the regrets  
And now I know that I'm alive  
I'm on the front line, don't worry I'll be fine  
The story is just beginning  
I say goodbye to my weakness so long to the regrets  
And now I see the world through  
Diamond Eyes  
Every night of my life I watch angels fall from the sky  
Every time that the sun still sets  
I pray they don't take mine  
I'm on the front line, don't worry I'll be fine  
The story is just beginning  
I say goodbye to my weakness so long to regrets  
I'm on the front line, don't worry I'll be fine  
The story is just beginning  
I say goodbye to my weakness so long to the regrets  
And now I know that I'm alive  
I'm on the front line, don't worry I'll be fine  
The story is just beginning  
I say goodbye to my weakness, so long to the regrets  
And now I see the world through diamond eyes  
I'm on the front line, don't worry I'll be fine  
The story is just beginning  
I say goodbye to my weakness,  
So long to the regrets  
And now i see the world through  
Diamond eyes  
Boom-lay boom-lay boom
