We Believe

Casey Darnell

Come on, let your light shine
Let your light shine
Oh, oh, oh, ohCome on, let your light shine
Let your light shine
Oh, oh, oh, ohYour love can make us run
Run to the broken
Your love can give us strength
To love our enemies
It shatters all our pride and insecurity
Your love brings the wall of hatred to its kneesWe believe
We believe in a love unending
We believe in a light that fills the night
We believe only He can bring our hearts to lifeYour love can break through hearts
Hardened from defeat
And in the raging flood
A shelter for the weak
We want to feel Your move
In ways we have never dreamed
Illuminate each step
Beyond what we can seeWe believe
We believe in a love unending
We believe in a light that fills the night
We believe only He can bring our hearts to lifeWe believe there's a day that's coming
When everything that is wrong will be made right
We believe we will see Him
Bring our hearts to life
Oh, oh, ohCome on, let your light shine
Let your light shine
Oh, oh, oh, ohCome on, let your light shine
Let your light shine
Oh, oh, oh, ohCome on, let your light shine
Let your light shine
Oh, oh, oh, ohCome on, let your light shine
Let your light shine
Oh, oh, oh, ohWe believe in a love unending
We believe in a light that fills the night
We believe only He can bring our hearts to lifeWe believe there's a day that's coming
When everything that is wrong will be alright
We believe we will see Him

Bring our hearts to life
Oh, oh, oh
