Little man

Gluecifer

Little man, you're very small
Little man, you're very small
No one?s gonna hear your call
No one?s gonna hear your callLittle man, your eyes are red
Little man, your eyes are red
Wishing you were cold and dead
Wishing you were cold and deadNo one's gonna play your game
No one's gonna play your game
Nothing changes, it?s the same
Nothing changes, it?s the sameLittle man, you're very small
No one?s gonna hear your call
Looking through those eyes so red
Wishing you were cold and dead
