

# Little man

## Gluecifer

Little man, you're very small  
Little man, you're very small  
No one's gonna hear your call  
No one's gonna hear your call Little man, your eyes are red  
Little man, your eyes are red  
Wishing you were cold and dead  
Wishing you were cold and dead No one's gonna play your game  
No one's gonna play your game  
Nothing changes, it's the same  
Nothing changes, it's the same Little man, you're very small  
No one's gonna hear your call  
Looking through those eyes so red  
Wishing you were cold and dead
