

# Problem Child

Leah Andreone

Why won't you pay attention  
Pray every night I'll make you happy  
If I'm real bad will you punish me  
The contact hurts but at least you're touching me  
Can't you see can't you read please read me please  
Hard to believe I'm your flesh and blood  
Watch your mistakes swimming down my face  
Jump up and down and I'll even fall  
To your feet you're stepping on me  
You're hurting me you don't notice me you're hurting me  
I'm screaming I'm breaking I'm grieving get angry  
I'm rebelling I'm trying I'm losing be proud of me  
I'm sickening I'm learning please notice me I'm your baby  
Am I all you hoped that I would be  
Must be no boundaries guess no one cares  
What's mine is mine and what's yours is mine to get  
I'll make you listen until you're blue  
The contact hurts but at least I'm touching you  
I'm raping I'm craving I'm begging get angry  
I'm weakening I'm regretting I'm sorry be proud of me  
I'm invisible I'm multiplying  
I'm pleading I'm killing  
Am I all you hoped that I would be  
La la's  
I'm crippling I'm sobbing I'm degrading  
I know you want me  
I'm deprecating I'm demoralizing  
I'm sad humiliating I'm empty  
I'm destroying I'm guilty I'm ashamed  
I'm wrong I know I'm wrong  
Why won't you pay attention  
Hung from a rope then you'll know me
