

# Journey

## Kerry Louise Taylor

Will this feeling ever go away  
Cant keep on feeling this way  
Can this feeling fade so i can Take  
Can this feeling make so i can Take

Certified  
Forever Tried i can see it

Today is such a Good day  
I felt you Guide my way  
Today is such a Good day  
Il guide you all the way hey ahhy

These words that i recite  
Holding on so tight  
Amazing to me  
I feel the pain aliee  
All this Time explained  
No body heard my cry  
So tonight i feel it now  
Thats the reason why

This Helter skelter ride  
Taking me places i saw in my Dreams last night  
Stay by my side

Your my journey can this feeling fade your my journey im Taylor made  
On my Journey Tonight  
This is my journey tonight  
Your my journey lets take it fary journey  
That note go lar yeah im learning everyday  
Evvry step along the way

I cant find the words to describe the way i felt forever tonight  
This meaning of life  
A torch type of light beams off my face tonight  
The highest heights  
Magic is taking me in flight  
We on some type of carpet ride

The best feelings are free tonight ah ah ah

( repeat chorus )
