High On You Mama

Steve Miller Band

Don't you know that I'm high on you mama
Don't you know that I'm high on you girl
Don't you know that I'm high on a feeling
Don't you know that I'm high cause you're here
Don't you know that I'm way up on a mountain
Don't you know that I'm way up in the air
Don't you know that I'm high on the sunshine
Don't you know that I'm high cause you careI'm high
Don't you know that I'm high
Don't you know that I'm high
High, high, high
On you mamaDon't you know that I'm high on you mama
Don't you know that I'm high on you girl
Don't you know that I'm high on a feeling
Don't you know that I'm high cause you're here
Don't you know that I'm way up on a mountain
Don't you know that I'm way up in the air
Don't you know that I'm high on the sunshine
Don't you know that I'm high cause you careI'm high
Don't you know that I'm high
High, high, high
