Life of My Own

Cro-Mags

Living risky, never scared
Wander closer to the edge
Nothing valued think no fear
Always wondering why youre hereAll your purposes are gone
Nothings right and nothings wrong
Nothing ventured, nothing gained
Feel no sorrow, feel no painKiss me while Im still alive
Kill me while I kiss the sky
Let me die on my own terms
Let me live and let me learnNow Ill follow my own way
And Ill live on to another damn day
Freedom carries sacrifice
Remember when this was my lifeLooking forward, not behind
Everybodys got to cross that line
Free me now to give me a place
Keep me caged and free the beastFalling faster, time goes by
Fear is not seen through these eyes
What there was will never be
Now Im blind and cannot seeKiss me while Im still alive
Kill me while I kiss the sky
Let me die on my own terms
Let me live and let me learnNow Ill follow my own way
And Ill live on to another damn day
Freedom carries sacrifice
Remember when this was my lifeKiss me while Im still alive
Kill me while I kiss the sky
Let me die on my own terms
Let me live and let me learnNow Ill follow my own way
And Ill live on to another damn day
Freedom carries sacrifice
Remember when this was my life
