We Should Be Together

Shirley Temple

I think about you when I don't want to
Dream about your smiling face
And I keep trying not to love you
But I love you anyway
We should be together, together
We should be walking side by side
We should be together, together
Keeping each other satisfied
I have thought to come to know you
I've come to need your company
What will I do if I can't have you?

If I can't have you what will I do?
We should be together, together
We should be walking side by side
We should be together, together
Keeping each other satisfied
We should be together, together
We should be walking side by side
We should be together, together
Keeping each other satisfied
