## Foals

Sun's up  
We wait all day  
Sun's up  
We wait all day, all day  
The hell outside's kept away  
If only we could move away  
From here  
This is how we build a place  
An aviary for today  
An aviary for today  
Let's disappear till tomorrow  
Let's disappear till tomorrow  
Disappear, disappear, disappear  
Blow up these play parades, let's go  
To an aviary far from home  
To an aviary far from home

A one hand clap is me and you  
And you, and you, and you  
While the hell outside's kept away  
If only we moved away  
Disappear, disappear, disappear  
Last vacation was the same  
We got moved away  
Last vacation was the same  
We got moved away  
Last vacation was the same  
We got moved away  
Sun down now we have built our place  
An aviary forever  
An aviary forever  
Forever, forever  
Reappear, reappear, reappear, reappear
