You were always wild and I styled your hair  
cheap bondering in the dancing shoes  
pain to see and heal the  
everybody knows You were fall for other chase  
reprise and bruise your.  
nobody is get any younger  
even morning is going back to me  
but there's four on the floor at the social club  
but pretty Jenny still the same  
everybody knows  
You're gonna have it your way  
see pics and say straight  
Chorus:  
August is over so when are you coming back?  
you know who's in town now and we got a round on my stair  
big city lights really gotta be a dray  
August is over so when are you coming back? Are you gonna fly?  
or are you gonna fight?  
are you gonna seat still care about the good old times?  
you know I really try girl  
to leave your small town on.  
but town blue is stucked to you  
became your favourite luxury  
everybody knows

August is over so when are you coming back?  
you know who's in town now and we got a round on my stair  
big city lights really gotta be a.
