I'm Okay

Lisa Shaw

Too many colors blind
So many righteous people
They're searching the world to find
All of the good in evil

Too many lights gone out
So many stars stopped shining
I'm looking for words to shout
but nobody cares to listen

Maybe we all keep lying
Maybe we all need to find it
A bit of my world is empty
but something much deeper sends me

I keep asking (Uh...)
I walk the streets for miles
Instead like a hunger (Uh...)
Wanting to survive....

Still I'm ok (uh...)
I'm ok now
I'm ok (Oh...)
I'm ok now

Too many lies going on
Without a care of dying
So many wasted nights
I'm thinking about who's crying

So many rival wars
Somebody's winning nothing
Can't even say who scored
Still I'd don't know what's coming

I'm ok (Uh...)
I'm ok now
I'm ok (Uh....)
I'm ok now

I'm ok

I'm ok now.
