

# I'm Okay

Lisa Shaw

Too many colors blind  
So many righteous people  
They're searching the world to find  
All of the good in evil

Too many lights gone out  
So many stars stopped shining  
I'm looking for words to shout  
but nobody cares to listen

Maybe we all keep lying  
Maybe we all need to find it  
A bit of my world is empty  
but something much deeper sends me

I keep asking (Uh...)  
I walk the streets for miles  
Instead like a hunger (Uh...)  
Wanting to survive....

Still I'm ok (uh...)  
I'm ok now  
I'm ok (Oh...)  
I'm ok now

Too many lies going on  
Without a care of dying  
So many wasted nights  
I'm thinking about who's crying

So many rival wars  
Somebody's winning nothing  
Can't even say who scored  
Still I'd don't know what's coming

I'm ok (Uh...)  
I'm ok now  
I'm ok (Uh....)  
I'm ok now

I'm ok

I'm ok now.
