# A World in Grey

## Sinnergod

I can see you in a photograph
I find you fading away
I am watching you through broken glass, each and every day
You fill my mind with hopeless dreams
You paint my world in grey
Ive pushed so hard to all extremes
I wish that i could stayYou're love is like a photograph
It's always in head
Although I've never heard you laugh
Please just let me inPaint my world in grey
We can be the same
Paint our world in grey
