Don't Worry Baby

Fake Problems

Well its been building up inside of me
For oh I don't know how long
I don't know why
But I keep thinking
Something's bound to go wrong

But she looks in my eyes
And makes me realize
And she says "Don't worry baby"
Don't worry baby
Don't worry baby
Everything will turn out alright

Don't worry baby
Don't worry baby
Don't worry baby

I guess I should've kept my mouth shut
When I started to brag about my car
But I can't back down now because
I pushed the other guys too far

She makes me come alive
And makes me want to drive
When she says "Don't worry baby"
Don't worry baby
Don't worry baby
Everything will turn out alright

Don't worry baby
Don't worry baby
Don't worry baby

She told me "Baby, when you race today
Just take along my love with you
And if you knew how much I loved you
Baby nothing could go wrong with you"

Oh what she does to me
When she makes love to me

And she says "Don't worry baby"
Don't worry baby
Don't worry baby
Everything will turn out alright

Don't worry baby
Don't worry baby
Don't worry baby
