# Go Big or Go Home

## Scott Dawson

I went to visit Daisy she was a living doll
That girl was so in love with me I didn't even need to call
See we'd been going steady since 1998
Until I got good and ready she didn't mind to wait
But when she opened up the front door
There was fire in her eyes and this frightening ultimatum caught me by surprise
She said I want to be married have kids and a double wide
There will be no more stalling tonight you must decide
I said what are talking about baby and she said
Go big or go home
Propose
Or I'm gone
And that's a fact
This ain't no act
Go big or go home
Propose
Or I'm gone
Now is the time
Make up your mind
Cause you will go big, go big or go home

She sure got my attention
My future was at stake
Now we got Charlie, Bill and Sue
Two dogs and a fishing lake
