

# You Know You Like It

## KIDZ BOP Kids

Some people want me to be heads or tails  
I say no way, try again another day  
I should be happy, not tipping the scale  
I just won't play, letting my life get away  
I'm not fool, no, I'm not a follower  
I don't take things as they come, if they bring me down  
Life can be cruel, if you're a dreamer I just wanna have some fun, don't tell me what can't be done  
You know you like it but it drives you insane  
You know you like it but it drives you insane  
You know you like it but you're scared of the shame  
What you want, what you gonna do?  
You know you like it but it drives you insane  
Only 'cause you know that you wanna feel the same  
You know you like it but it drives you insane  
What you want, what you gonna do? If you wanna be just like an animal  
Better keep your eye on your every move  
There 's no need to be so damn cruel  
Baby you got nothing to prove  
I'm not fool, no, I'm not a follower  
I don't take things as they come, if they bring me down  
Life can be cruel, if you're a dreamer I just wanna have some fun, don't tell me what can't be done  
You know you like it but it drives you insane  
You know you like it but it drives you insane  
You know you like it but you're scared of the shame  
What you want, what you gonna do?  
You know you like it but it drives you insane  
Only 'cause you know that you wanna feel the same  
You know you like it but it drives you insane  
What you want, what you gonna do?
