Media

Naked Aggression

Media, Media, Media, Media, blinds my eyes (x2)
Trying to, Trying to, Trying to, Trying to fuck with my mind (x2)
Television blinds my eyes. It's not real, the media's owned by the rich.
Don't be confused by their propaganda. Television blinds my eyes.
SMASH YOUR TV(x4)
Life on TV is beautiful
This portrait I dispise, Makes war look so glamorous
It's all a bunch of lies!
Censored by the military, can't tell us all the truth.
These controlled try to Brainwash Me And You!
Bush sez it's OK that so many people are dying.
The news doesn't tell us that the President's Lying!
He says it protexts our way of life when it only protects his.
It doesn't help us in any way And That's The Way It Is
Media, Media, Media, Media, distorts the news (x2)
Promoting, Promoting, Promoting, Promoting corporate views (x2)
Television blinds my eyes. It's not real, the media's owned by the rich.
Don't be confused by their propaganda. Television blinds my eyes.
SMASH YOUR TV(x4)
Images of Wall street and all the money you can make.
Dressing up in business suits It's So Goddamn Fake!
Working for the bureaucracy, pushing pencils every day,
sitting in a cubicle Big Business Go Away!
The rest of the world slaves away so the pigs can sit on their ass.
The war machine keeps marching on They Are So Fucking Crass.
Since we all want freedom we must make the system fall.
People believe things on TV, MEDIA KILLS US ALL
