

# The Time is Now

## John Cena & Tha Trademarc

You're my last breath  
You're a breath of fresh air to me  
Hi, I'm empty  
So tell me you care for me  
You're the first thing  
And the last thing on my mind  
In your arms I feel  
Sunshine  
On a promise  
A day dream yet to come  
Time is upon us  
Oh, but the night is young  
Flowers blossom  
In the winter time  
In your arms I feel  
Sunshine  
Give up yourself unto the moment  
The time is now  
Give up yourself unto the moment  
Let's make this moment last  
You may find yourself  
Out on a limb for me  
Could you expect it as  
A part of your destiny  
I give all I have  
But it's not enough  
And my patience is shot  
So I'm calling your bluff  
Give up yourself unto the moment  
The time is now  
Give up yourself unto the moment  
Let's make this moment last  
Give up yourself unto the moment  
The time is now  
Give up yourself unto the moment  
Let's make this moment last  
And we gave it time  
All eyes are on the clock  
But time takes too much time

Please make the waiting stop  
And the atmosphere is charged  
In you I trust  
And I feel no fear as I  
Do as I must  
Give up yourself unto the moment  
The time is now  
Give up yourself unto the moment  
Let's make this moment last  
Give up yourself unto the moment  
The time is now  
Give up yourself unto the moment  
Let's make this moment last  
Tempted by fear  
And I won't hesitate  
The time is now  
And I can't wait  
I've been empty too long  
The time is now  
The tender night has gone  
And the time has gone  
Let's make this moment last  
And the night is young  
The time is now  
Let's make this moment last  
Give up yourself unto the moment  
The time is now  
Give up yourself unto the moment  
Let's make this moment last
