

# The Only Thing

## Claptone

The only thing that I'd forget  
The only thing is that I want you tonight  
The only thing that I believe in  
The only thing is that I want you tonight  
The only thing that I'd be thinking about is your love  
The only thing that I've been dreaming about is your love  
I can't take my mind off of you  
There's just so much that I wanna do  
I can't take my mind off of you  
There's just so much that I want your love  
The only thing that I'd forget  
The only thing is that I want you tonight  
The only thing that I believe in  
The only thing is I want you tonight  
You tonight  
You tonight  
You tonight  
And I want you tonight  
And I want you tonight  
And I want you tonight  
I want you baby  
I want you baby  
I want you baby  
I want you baby  
I want you baby  
I want you baby  
I want you baby  
I want you baby  
I want you baby  
And I want you tonight  
The only thing that I'd forget  
The only thing is that I want you tonight  
The only thing that I believe in  
The only thing is that I want you tonight  
The only thing that I'm thinking  
The only thing is that I want you tonight  
The only thing that I believe in  
The only thing is I want you tonight  
You tonight  
You tonight

You tonight  
And all I want is your love
