

# Love Letters

## Elvis Presley

Love letters straight from your heart  
Keep us so near while apart  
I'm not alone in the night  
When I can have all the love you write I memorize every line  
And I kiss the name that you sign  
And darling, then I read again right from the start  
Love letters straight from your heart I memorize every line  
And I kiss the name that you sign  
And darlin', then I read again right from the start  
Love letters straight from your heart
