## Then Was Then and Now Is Now

## **Tony Bennett**

Then was then

And now is now

Don't look back

You can't look back somehow

Sweet was sweet

But not so bitter now

Then was then

And now is now

You forgive

And I will too

Let's forget

Unhappy times we knew

We'll come out

All shiny, bright and new

Then was then

And now is now

Now, now we can win

No matter what might have been

Now we can begin again

For then was then

And now is now
