

Little Things

Doug Hoyer

Love can't be measured with diamonds and gold
Before you spend your money I oughta let you know
 If you wanna get to me, try the little things
 Don't need that mansion on top of the hill
 Too many rooms with nothing to fill
 You can't furnish me with the little things
 Rub my back, make me laugh
 Hold me while I dream
 All it takes to make my day
 Is to tell me you love me, little things
 It doesn't matter what mood I'm in
 I always melt when you begin
 Whispering little things
 Rub my back, make me laugh
 Hold me while I dream
 All it takes to make my day
 Is to tell me you love me
 Oh, little things
 Rainy walks, a midnight talk
 Dance me on your feet
 Hold me close, don't let go
 All I'll ever need is a single rose
 A kiss hello, that smile upon your face
 The tender way, you say my name
 Takes my breath away
 Little things, oh yeah, aha
Love can't be measured with diamonds and gold
 All I'll ever need, oh, is little things
 Mmm, little things, little things
