

# All You Need to Know

**Carolyn Dawn Johnson**

I'd like to sleep in on Saturdays  
But I hate to miss the good yard sales  
In my dreams I pay a buck for matching lawn chairs  
I don't like people who are rude to waitresses  
I like to leave a big tip 'cause God knows I've been there I ain't no angel, baby, far from it  
But I never broke a heart, just for the fun of it  
That's all you need to know A little mystery is not so bad  
What you don't know won't hurt you, I can promise that  
That's all you need to know right now I used to cruise down on main street  
I wished I had my own boyfriend  
I like to watch your hands while you're driving  
I like the way you smile when no one's watching  
I have to catch myself here, I go flying There's so much more and it's all worth waiting for
