Answer (Round Table Knights edit)

Cant

I want you close, close for this
Something's here, I know your lips
Wakes you up in the middle of the night
Phone rings, he wants to fight
This is how you never winYou run, you run, you run
You run, you run, you runIt's been a while since you needed me
It's been a while since I needed you, too
It's been a while since you needed me
I want you close, close for this
I want you close, close for this
I want you close, close for thisThis is a tale you couldn't win
